LESSON 1: YOU CAN SHAPE A LOT

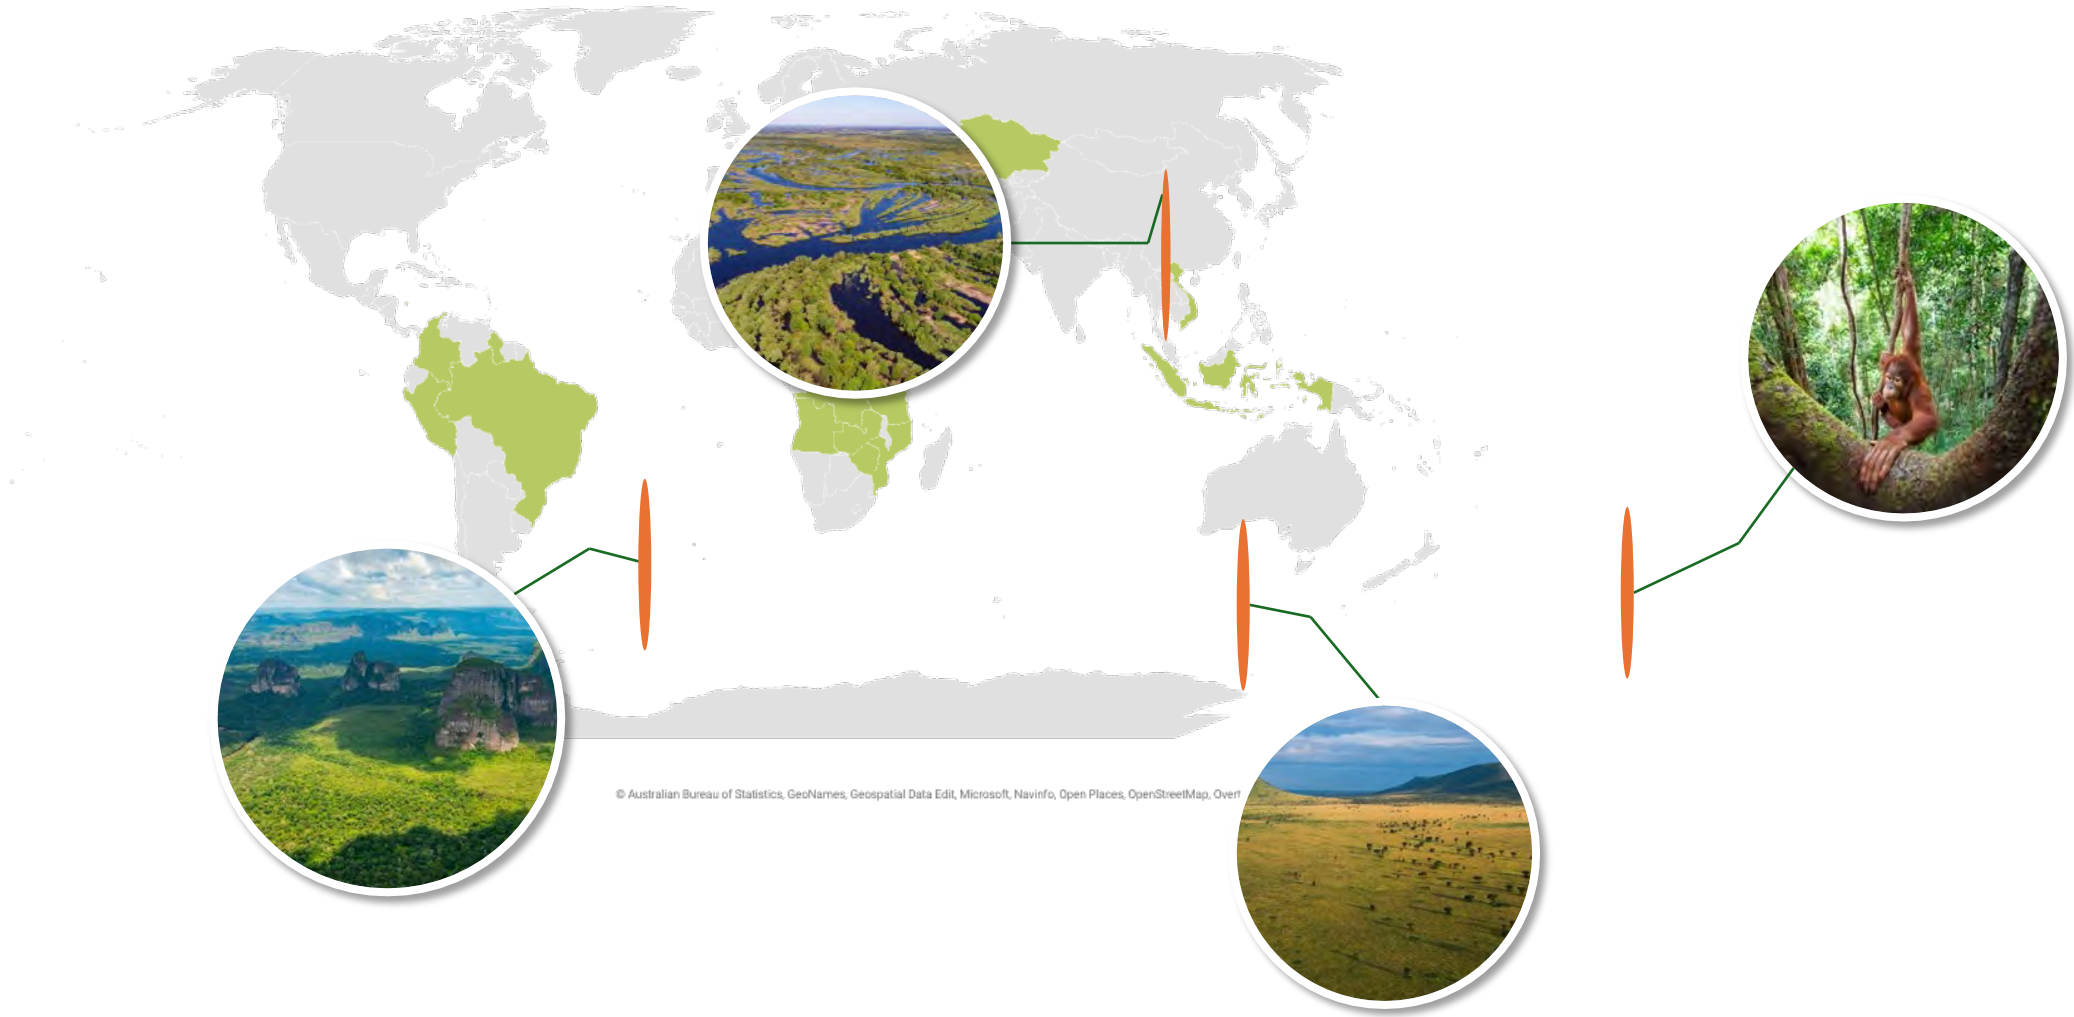

LESSON 2: YOU MIGHT GET CRAZY AWARDS

- 
- A group of approximately 15 people, likely field researchers or staff, are posing for a group photo in a lush forest. They are dressed in practical field attire, including shirts, trousers, hats, and boots. Some are wearing backpacks and binoculars. They are standing and kneeling in front of a very large, ancient-looking tree trunk with prominent buttresses and aerial roots. The background is filled with dense green foliage and sunlight filtering through the canopy.

You're on the front line
Everyone's watching
You know it's serious, we are getting closer
This isn't over
The pressure's on, you feel it
But you got it all, believe it
When you fall, get up, oh oh
